

ARIZONA ARSENAL SOCCER CLUB U11 AND OLDER FINANCIAL AID APPLICATION/CONTRACT

Arizona Arsenal Soccer Club is a non-profit volunteer-based organization. The Club makes need based financial aid available for players who need financial assistance in order to participate in the Arizona Arsenal Soccer Club. When the Club provides financial aid to athletes, the Club requires that the parent(s) and/or athlete participate in all Club and team fundraising activities as well as volunteering at the Club and team level. Fundraising activities may include but not limited to car washes, golf tournaments, raffle ticket sales, and any other fundraiser in which the team or Club participates. The Club has 4 main events during the year: The Arsenal Challenge, The 3 v 3 Tournament, an annual Golf Tournament and Try-Outs. You will be required to work a Minimum of two (2) of the events for the Club in addition to your team responsibilities for these events. Other volunteer activities may include but not limited to trash collection at the fields, assisting with field maintenance and lining of fields, team manager, Open Cup or State Cup or other club/team responsibilities with the approval of the President, Vice President or the Volunteer Coordinator.

The Arizona Arsenal Soccer Club Financial Aid Policy is as follows:

1. AASC will make financial aid available based on need to players in the Club if there are funds in the budget.
2. Based on the financial aid allocated to each player from AASC you are required to complete the number of volunteer hours listed on the Financial Aid Volunteer Hours worksheet. The total hours may be split between the Team and Club. Volunteer hours may be completed by the parent, some limited hours from players 18 years old, or other adults on behalf of the player/parent.
3. If you receive financial aid, it will be applied toward your registration/training/facilities/program fees. You are still responsible to pay all Team fees and pay for your child's uniform. Please refer to the Cost Information page.

For example, if your child is on a U12 Teal Team then your cost for the registration/training/facilities/program fees is \$1,730. If you are awarded \$692 in financial aid, then the \$692 would be deducted from the \$1,730 and you would be required to pay \$1,038. In addition to the \$1,038, you are required to pay all Team fees and for your uniform. You are also responsible to complete 20 volunteer hours.
4. Financial aid applications must be signed by parent, player's coach and team manager and submitted to the financial aid committee via the following e-mail address, info@azarsenalsc.org.
5. If a family has more than one player who has received financial aid, then the amount of hours would increase accordingly per the number of players from that family receiving financial aid. For example, if a family has 2 players that have each received financial aid, then the family must provide the equivalent number of hours of volunteer time x 2 players per the respective amounts listed on the Financial Aid Volunteer Hours worksheet.
6. A report of volunteer hours completed must be made by the parent to the team manager on a monthly basis. Any family not participating could have their player's pass pulled by the Club and he/she will not be able to play until the report is made. A failure to report will be deemed as not completing hours.
7. If despite the above penalties, volunteer hours are not completed by June 1st of the seasonal year for which the financial aid was awarded, we will begin proceedings to have the player placed in bad standing with AZ Soccer Association. Being placed in bad standing means that the player will be unable to register and play with any ASA affiliated Club in Arizona until they repay the prorated share of the financial aid to the Club.

8. If volunteer hours are not completed during the seasonal year, the player is ineligible for future financial aid from AASC. I have read and agree to follow the above financial aid policy of the Arizona Arsenal Soccer Club.
9. If financial aid is awarded then you will be required to attend a mandatory meeting to go over the expectations and responsibilities as outlined above. Failure to attend this meeting, may result in the forfeiture of the financial aid.
